## RADIOACTIVE

I'm waking up to ash and dust  
I wipe my brow and sweat my rust  
I'm breathing in the chemicals  
I'm breaking in and shaping up  
Then checking out on the prison bus  
This is it, the apocalypse  
Ohohoh  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age  
To the new age  
Welcome to the new age  
To the new age  
Ohohohohohohoh  
I'm radioactive  
Radioactive  
Ohohohohohohohoh  
I'm radioactive  
Radioactive  
I raise my flag and dye my clothes  
It's a revolution, I suppose  
We're painted red to fit right in  
Ohohoh  
I'm breaking in and shaping up  
Then checking out on the prison bus  
This is it, the apocalypse  
Ohohoh  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age  
To the new age  
Welcome to the new age  
To the new age  
Ohohohohohohohoh  
I'm radioactive  
Radioactive  
Ohohohohohohohoh  
I'm radioactive  
Radioactive  
All systems go  
The sun hasn't died  
Deep in my bones  
Straight from inside  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age  
To the new age  
Welcome to the new age

To the new age  
Ohohohohohohohoh  
I'm radioactive  
Radioactive  
Ohohohohohohohohoh  
I'm radioactive  
Radioactive

## TIPTOE

In the morning light  
Let my roots take flight  
Watch me fall above  
Like a vicious dove  
They don't see me come  
Who can blame then  
They never seem to catch my eye  
But I've never wondered why  
I won't fall asleep  
I won't fall asleep  
Hey yeah  
Don't let 'em know we're coming  
Hey yeah  
Tip toe higher  
Take some time to  
Simmer down keep your head down low  
Hey yeah  
Tip toe higher  
From your slanted view  
See the morning dew  
Sink into the soil  
Watch the water boil  
They won't see me run  
Who can blame them  
They never look to see me fly  
So I never had to lie  
I won't fall asleep  
I won't fall asleep  
Hey yeah  
Don't let 'em know we're coming  
Hey yeah  
Tip toe higher  
Take some time to  
Simmer down keep your head down low  
Hey yeah  
Tip toe higher  
Nobody else  
Nobody else

Nobody else can take me higher  
Nobody else can take me higher  
Nobody else can take me higher  
Nobody else  
Hey yeah  
Don't let 'em know we're coming  
Hey yeah  
Tip toe higher  
Take some time to  
Simmer down keep your head down low  
Hey yeah  
Tip toe higher  
Hey yeah  
Don't let 'em know we're coming  
Hey yeah  
Tip toe higher  
Take some time to  
Simmer down keep your head down low  
Hey yeah  
Tip toe higher

## IT'S TIME

So this is what you meant?  
When you said that you were spent?  
And now it's time to build from the  
bottom of the pit  
Right to the top  
Don't hold back  
Packing my bags and giving the  
academy a rain-check  
I don't ever want to let you down  
I don't ever want to leave this town  
'Cause after all  
This city never sleeps at night  
It's time to begin, isn't it, I get a little bit  
Bigger, but then, I'll admit  
I'm just the same as I was  
Now don't you understand  
That I'm never changing who I am  
So this is where you fell  
And I am left to sell  
The path to heaven runs through miles  
of clouded hell  
Right to the top  
Don't look back  
Turning to rags and giving the commodities  
a rain-check

I don't ever want to let you down  
I don't ever want to leave this town  
'Cause after all  
This city never sleeps at night  
It's time to begin, isn't it, I get a little bit  
Bigger, but then, I'll admit, I'm just the  
same as I was  
Now don't you understand  
That I'm never changing who I am  
This road never looked so lonely  
This house doesn't burn down slowly  
To ashes, To ashes  
It's time to begin, isn't it, I get a little bit  
Bigger, but then, I'll admit, I'm just the  
same as I was  
Now don't you understand  
That I'm never changing who I am

## DEMONS

When the days are cold  
And the cards all fold  
And the saints we see  
Are all made of gold  
When your dreams all fail  
And the ones we hail  
Are the worst of all  
And the blood's run stale  
I want to hide the truth  
I want to shelter you  
But with the beast inside  
There's nowhere we can hide  
No matter what we breed  
We still are made of greed  
This is my kingdom come  
This is my kingdom come  
When you feel my heat  
Look into my eyes  
It's where my demons hide  
It's where my demons hide

Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide  
At the curtain's call  
It's the last of all  
When the lights fade out  
All the sinners crawl  
So they dug your grave  
And the masquerade  
Will come calling out  
At the mess you made  
Don't want to let you down  
But I am hell bound  
Though this is all for you  
Don't want to hide the truth  
No matter what we breed  
We still are made of greed  
This is my kingdom come  
This is my kingdom come  
When you feel my heat  
Look into my eyes  
It's where my demons hide  
It's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide

## ON TOP OF THE WORLD

If you love somebody  
Better tell them why they're here 'cause  
They may just run away from you  
You'll never know quite when, well  
Then again it just depends on  
How long of time is left for you  
I've had the highest mountains  
I've had the deepest rivers  
You can have it all but life keeps moving  
Take it in but don't look down  
'Cause I'm on top of the world, hey  
I'm on top of the world, hey  
Waiting on this for a while now  
Paying my dues to the dirt  
I've been waiting to smile, hey  
Been holding it in for a while, hey

Take you with me if I can  
Been dreaming of this since a child  
I'm on top of the world  
I've tried to cut these corners  
Try to take the easy way out  
I kept on falling short of something  
I could of gave up then but  
Then again I couldn't have 'cause  
I've traveled all this way for something  
Take it in but don't look down  
'Cause I'm on top of the world, hey  
I'm on top of the world, hey  
Waiting on this for a while now  
Paying my dues to the dirt  
I've been waiting to smile, hey  
Been holding it in for a while, hey  
Take you with me if I can  
Been dreaming of this since a child  
I'm on top of the world, hey  
Waiting on this for a while now  
Paying my dues to the dirt  
I've been waiting to smile, hey  
Been holding it in for a while, hey  
Take you with me if I can  
Been dreaming of this since a child  
And I know it's hard when you're falling down  
And it's a long way up and you make your round  
But get up now, get up, get up now

## AMSTERDAM

I'm sorry, mother  
I'm sorry, I let you down  
Well, these days I'm fine  
No these days I tend to lie  
I'll take the Western train, just by the side  
of Amsterdam  
Just by my left brain, just by the side of the Tin Man  
I'm sorry, brother  
I'm sorry, I let you down  
Well, these days you're fine  
No these days you tend to lie

You'll take the Western train, just by the side of  
Amsterdam  
Just by my left the brain, just by the side of the Tin  
Man  
Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me, I've tried  
But I keep coming up short  
I'm sorry, lover  
I'm sorry I bring you down  
Well, these days I try and these days I tend to lie  
Kinda thought it was a mystery and then I thought I  
wasn't meant to be  
You set yourself fantastically  
Congratulations you are all alone  
Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me, I've tried  
Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me, I've tried  
But the rain won't fall for the both of us  
The sun won't shine on the both of us  
Believe me when I say  
That I wouldn't have it any other way  
Your time will come  
If you wait for it, if you wait for it  
It's hard, believe me, I've tried  
But I won't wait much longer 'cause these walls  
they're crashing down  
No I won't wait much longer 'cause these walls  
they're crashing down  
And I keep coming up short

## HEAR ME

Try to hear my voice  
You can leave, it's your choice  
Maybe if I fall asleep, I won't breathe right  
Maybe if I leave tonight, I won't come back  
I said it before, I won't say it again  
Love is a game to you, it's not pretend  
Maybe if I fall asleep, I won't breathe right  
Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?

You kiss and you kiss  
And you love and you love  
You've got a history list, and the rest is above  
And if you're warm, you can't relate to me  
From the floor to the floor  
And the sky to the sky  
You've got to love and adore and the rest is awry  
And if you're warm, then you can't relate to me  
I said it before, I won't say it again  
Love is a game to you, it's not pretend  
Maybe if I fall asleep, I won't breathe right, right,  
right?  
Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?  
Leave your shoes at the door, baby  
I am all you adore, lately  
Come with me and we will run away  
Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?  
Can nobody hear me?  
I've got a lot that's on my mind  
I cannot breathe  
Can you hear it, too?

## EVERY NIGHT

I'm coming home to you  
Every night  
I'm the colorless sunrise  
That's never good enough  
I'm the wind that's in your hair  
That ruffles you up  
(If) you can find a reason  
You can let me know  
I won't blame you  
I'll just turn and go  
I'm coming home to you  
Every night  
Coming home to you  
Every night  
My mind is made up  
Nothing could change that  
I'm coming home to you  
Every night

Searching to find myself  
But all I find is you  
I can hardly stand myself  
So what am I to you?  
(If) you can find a reason  
You could let me know  
I'm coming home to you  
Every night  
Coming home to you  
Every night  
My mind is made up  
Nothing could change that  
I'm coming home to you  
Every night  
No matter, no matter  
No matter what we're facing  
It don't matter, don't matter  
Cause the reason that I'm here  
Is the same through all these years  
Not changing, not changing  
Anything at all  
I'm coming home to you  
Every night  
Coming home to you  
Every night  
My mind is made up  
Nothing could change that  
I'm coming home to you  
Every night

## BLEEDING OUT

I'm bleeding out  
So if the last thing that I do  
Is bring you down  
I'll bleed out for you  
So I bare my skin  
and I count my sins  
and I close my eyes and I take it in  
I'm bleeding out  
I'm bleeding out for you  
For you  
When the day has come  
That I've lost my way around  
And the seasons stop  
And hide beneath the ground  
When the sky turns grey  
And everything is screaming  
I will reach inside  
Just to find my heart is beating

Oh you tell me to hold on  
Oh you tell me to hold on  
But innocence is gone  
And what was right is wrong  
Cause I'm bleeding out  
So if the last thing that I do  
Is bring you down  
I'll bleed out for you  
So I bare my skin  
and I count my sins  
and I close my eyes and I take it in  
I'm bleeding out  
I'm bleeding out for you  
For you  
When the hour is nigh  
And hopelessness is sinking in  
And the wolves all cry  
To fill the night with hollering  
When your eyes are red  
And emptiness is all you know  
With the darkness fed  
I will be your scarecrow  
You tell me to hold on  
Oh you tell me to hold on  
But innocence is gone  
And what was right is wrong  
Cause I'm bleeding out  
So if the last thing that I do  
Is bring you down  
I'll bleed out for you  
So I bare my skin  
and I count my sins  
and I close my eyes and I take it in  
I'm bleeding out  
I'm bleeding out for you  
For you  
Cause I'm bleeding out  
So if the last thing that I do  
Is bring you down  
I'll bleed out for you  
So I bare my skin  
and I count my sins  
and I close my eyes and I take it in  
I'm bleeding out  
I'm bleeding out for you  
For you

## UNDERDOG

Early morning take me over  
Father, father, father  
Take me to the top  
Early morning wake me up  
Father, father father  
This is not enough  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog  
Early evening settle down  
Father, father, father  
Who am I to blame?  
Early evening hush me over  
Father, father, father  
Are we just the same?  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog  
Living the low life  
Living the low life  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog  
Hey, that sounds like my luck  
I get the short end of it  
Oh I love to be, I love to be the underdog

## NOTHING LEFT TO SAY

Who knows how long  
I've been awake now?  
The shadows on my wall don't sleep  
They keep calling me, beckoning  
Who knows what's right?  
The lines keep getting thinner  
My age has never made me wise  
But I keep pushing on and on and on and on...

There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
Below my soul  
I feel an engine  
Collapsing as it sees the pain  
If I could only shut it out  
I've come too far  
To see the end now  
Even if my way is wrong  
I keep pushing on and on and on and on...  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
I keep falling, I keep falling down  
I keep falling, I keep falling down  
I keep falling, I keep falling down  
I keep falling, I keep falling down  
If you could only save me  
I'm drowning in the waters of my soul  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now

## ROCKS

Where do we go from here?  
Where do we go from here?  
I threw some rocks up at your window  
I broke some rocks right through your window  
Timber, timber  
We're falling down  
Let the forest hear our sound  
Boom ba boom ba boom  
Ah ooo ah ooo  
Boom ba boom ba boom  
Ah ooo ah ooo  
Why can't I see  
What's right in front of me?  
We fall  
We fall apart

## WORKING MAN

Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it  
Every little bit goes a little of a long way  
Life gets hard and I'm headed for the highway  
home  
Caught up in the middle of a headache and  
heartbreak  
Just when I thought I was clear of the mistakes,  
no, no oh oh  
So tell me, tell me, tell me  
What am I to do  
I think that this life is darker than the view  
So help me, help me, help me  
Be a little more like you  
When everything is falling  
I'm gonna do the things you do

Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it  
Everything is serious and everything is fatal  
That's what they tell you  
And that's how they make you know  
I'm tired of the books and I'm tired of the tables  
Everything is made with the same old labels  
So tell me, tell me, tell me  
What am I to do  
I think that this life is darker than the view  
So help me, help me, help me  
Be a little more like you  
When everything is falling  
I'm gonna do the things you do  
Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it, shake it  
And we're moving again  
Been a long time coming for the working man  
So shake it, shake it  
And we're moving again  
When the money is high, we can start to spend  
Shake it

## FALLEN

Run for cover  
My sense of fear is running thin  
Undercover  
Just like a candle in the wind  
Tell everybody, tell everybody  
Brothers, sisters, the ending is coming  
Ohhhhh  
We are fallen, we are fallen  
Ohhhhh  
We are fallen, we are fallen  
Now we're just gonna ride it out  
Every morning  
I'm staring shadows in the eye  
Oh, good morning  
Will you just wait until I die?  
Tell everybody, tell everybody  
Brothers, sisters, the ending is coming  
Ohhhhh  
We are fallen, we are fallen  
Ohhhhh  
We are fallen, we are fallen  
Now we're just gonna ride it out  
Tell everybody, tell everybody  
Tell everybody, we are fallen  
Ohhhhh  
We are fallen, we are fallen  
Ohhhhh  
We are fallen, we are fallen  
Now we're just gonna ride it out  
I just want to take it in  
Even when your fire runs out  
Will you start it up again?  
We are fallen
